

CHARTER SCHOOLS

A charter school is a public school that operates on a contract with the Duval County School Board. Charter schools are designed to:

- *Improve student learning and academic achievement*
- *Increase learning opportunities for all students with special emphasis on low-performing students and reading*
- *Encourage the use of innovative learning methods*

Each charter school has its own transportation plan. The District does not provide transportation to charter schools.

Small Classes In A Large Facility

With our small class sizes, our students enjoy the attention of our highly-qualified instructors, all of whom bring their energy and compassion to the classroom. Our students participate in concerts, plays, recitals and visual arts exhibits, and we house a performing arts center, a computer lab, a full-size gymnasium and a dance studio.

Wayman Academy serves students in grades K through 5 from all parts of the city, and transportation is provided. We also feature an on-site full-service daycare.
