## TAKING A NEW APPROACH TO EDUCATION.

At Tiger Academy, we believe school should be more than a place to learn reading, writing and arithmetic. We approach the education of each child with a commitment to helping him or her grow in spirit, mind and body.

## HOW WILL WE ACHIEVE THIS GOAL?

Through a unique partnership with the Johnson Family YMCA, Tiger Academy's students enjoy enrichment opportunities and benefit from family support services.

Tiger Academy provides not only a high-quality education for the children growing up in northwest Jacksonville, but the encouragement and support they need to succeed.

THANKS TO OUR PARTNERS,  
Tiger Academy will enrich the lives of its students' families, offering services like:

- G.E.D. Academy
- Employment skills training
- Senior assistance programs
- Mental health counseling and support groups
- Quality child care services
- Financial literacy programs
- Health screenings and services
- Violence prevention and crisis intervention
