Mission:

The mission of Somerset Academy Eagle Campus is to promote a culture that maximizes student achievement and fosters the development of responsible, self-directed, life-long learners in a safe and nurturing environment. This will be achieved in a rigorous academic environment focused on the fundamentals of leadership development, enhanced personal responsibility and community involvement.

Believe...

We believe that every child can learn.
We believe in hands-on learning and instruction.

Achieve...

We are committed to achieving excellence in education. We will assist our students to achieve their personal best in both academic and social growth.

Succeed!

We know that education is the key to success. We will provide our students with challenging standards-based lessons that will prepare them for academic and social success in the future.

Students, staff, parents, and the entire community share in the responsibility of creating a positive learning environment that empowers all students to reach their fullest potential academically, socially, and emotionally. At Somerset, we are dedicated to providing an equitable, high-quality education that meets the needs of each individual child.

If you want a new approach to education, we can help you.
